

Viva Camera Inc. D/B/A Mini Grip Van – Grip Van Rental Agreement

Producer: {9:Name} (“Producer”)

Effective Date: {Booking Date} (“Effective Date”)

This **MINI GRIP VAN – EQUIPMENT RENTAL AGREEMENT** (the “**Agreement**”) is dated as of the Effective Date between Viva Camera Inc. D/B/A Mini Grip Van (“**MGV**”) and Producer. Each of MGV and Producer may be referred to as a “**Party**” and together as the “**Parties**”. In consideration of the mutual obligations and representations contained herein and other good and valuable consideration, the sufficiency of which is acknowledged, the Parties hereby agree as follows:

Equipment Rental

The chart in Schedule “A” lists the items included in the Mini Grip Van Package and included in all bookings (collectively, the “Equipment”).

The total **Rental Price** is \${Total Amount} for {Number of Days} day(s).

First Day: {Start Date} (“First Day”)

Final Day of rental: {End Date} (“Final Day”)

Rental Period. The number of days between the date the Equipment Van (the “Van”) first arrives (the “First Day”) and the final day the Van is booked to be on set (the “Final Day”), inclusive of both days is the “**Rental Period**”.

For each day of the Rental Period, no less than 12 hours prior to start of day, Producer must provide start time, location, and preferred parking location to MGV for the Van.

Credit Card (for Security) and Identification. In order to rent the Equipment, Producer must provide Producer’s credit card and personal photo identification to MGV at time of booking.

Production Location. All production locations must be within a 100 km radius from 777 The Queensway, Etobicoke, ON M8Z 1N4 (“Home”) at MGV’s discretion. If any Production Locations are outside of this 100 km radius, MGV must be notified prior to booking for MGV approval. Producer is entitled to up to 80 km per day during the rental period, measured from 777 The Queensway. Producers using more than the 80 km will be charged \$0.30 for each km in excess of the limit. Producer is responsible for any parking fees and parking tickets.

Payment Terms. 100% of the Rental Price must be provided by Producer to MGV upon booking and the execution by Producer of this Agreement and prior to the Equipment being provided to Producer. Producer is not entitled to rent the Equipment until the Rental Price is paid in full to MGV, as confirmed by MGV. Payment will be made via online Payment Link. If any additional fees (including amounts for damage to, or loss of Equipment or parts, or additional fees listed in

this agreement) are owed by Producer after the Producer rents the Equipment, such fees must be paid within ten (10) days of when MGTV informs Producer of such fees. MGTV is authorized by Producer to debit Producer's credit card for any amounts owed to MGTV by Producer by virtue of Producer's engagement of MGTV pursuant to this Agreement or otherwise.

Insurance. Prior to the First Day of Production, MGTV requires the Producer to obtain \$60,000 in Property Insurance Coverage, listing Viva Camera Inc. as Loss Payee for loss or damage to property rented as well as \$2,000,000 in General Liability Coverage, naming Viva Camera Inc. as an additional insured on your liability insurance.

Producer shall ensure that its insurance is sufficient in value to cover any Equipment provided by MGTV as well as any equipment that may be provided by any other supplier with respect to the production.

Producer will reimburse MGTV for any Equipment which is lost, stolen, missing, broken, or damaged while in possession of the Producer by any cause whatsoever, whether due to Producer's fault or not, at the same commercially reasonable rate MGTV pays to repair or replace such Equipment. Producer agrees to immediately report to MGTV any damage, theft and/or disappearance of any or all the Equipment as well as the circumstances under which the damage, theft and/or disappearance of Equipment occurred. Failure to do so, including if Producer returns Equipment without declaring damages incurred during the Rental Period will result in additional liability assumed by Producer at MGTV's sole discretion. If the Producer's insurance does not cover all losses outlined herein or otherwise incurred by MGTV due to the damage, theft and/or disappearance of any or all the Equipment, Producer shall be liable, on demand, to MGTV for all of MGTV's losses.

Use of Equipment. Producer must return the Equipment in the same condition in which they were given it. Although MGTV actively maintains the Equipment on a regular basis, the Producer must check the Equipment before using it. If there are any problems, Producer must inform MGTV immediately, otherwise MGTV may presume that any problems related to the Equipment occurred due to Producer's use of the Equipment. Producer will ensure the Equipment is kept in a secure location when not in use, and that it is not exposed to extreme or damaging conditions (e.g., leaving equipment unattended anywhere, including in cold weather, operating Equipment in the rain, putting it down in mud). Equipment must be clean and in orderly condition upon return after each use (i.e., cables properly wrapped, items stowed neatly in their proper places). Returned Equipment without all parts provided by MGTV is not considered as being returned and late charges will be incurred until the parts have been returned to MGTV's satisfaction. Producer will not attempt any repairs or modifications to Equipment without express prior written consent of MGTV. If Producer returns items in notably dirty, wet or disorderly condition, Producer may have to pay a cleaning charge to be determined by MGTV.

Cancellation. MGTV may cancel the rental at any time before the First Day, provided that the Producer fails to fulfill any part of this agreement. Cancellation by MGTV will result in a charge of 20% of the Booking Fee including the day rate of the Driver/Swing and/or Gaffer (at MGTV's discretion). MGTV may cancel the rental of a specific piece of Equipment at any time provided

that the piece of equipment is unable to be rented due to equipment damage or failure. In the case of cancellation of the rental of a specific piece of the equipment package, the Producer will be given a discount by MGV or provided with equipment comparables.

Cancellation by Producer with less than 2 weeks advance notice in writing to MGV shall result in a charge of 20% of the Booking Fee including the day rate of the Driver/Swing and/or Gaffer.

Indemnity. Producer shall indemnify MGV and its representatives, successors, and assigns and defend and hold all of them and their shareholders, directors, officers, employees and agents harmless from and against all losses, costs, liabilities, damages, claims, judgments, penalties, and expenses arising out of any damages or losses related to the Equipment, including without limitation any third parties, and/or Producer's contractors and/or employees who were associated in any way with the Equipment or the production for which the Equipment was rented.

Liability. MGV shall not be liable for injury or accident while its facilities or equipment are in use. MGV is not liable for any damages or loss due to Equipment failures or issues. IN NO EVENT SHALL MGV BE LIABLE FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL LOSS OR DAMAGES ARISING FROM PRODUCER'S USE OF EQUIPMENT, INCLUDING BUT NOT LIMITED TO LOSS PROFITS AND LOSS REVENUE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES.

Driver/Swing Responsibilities. MGV will provide a Driver/Swing of the van (the "Driver/Swing"). The Driver/Swing will be the only individual allowed to drive the van to and from production locations. At no point will any crew or cast enter the driving cab of the van. The Driver/Swing is responsible for delivering the equipment to set as well as maintaining the inventory within the Van while on site. The MGV Van is used only for transporting MGV Driver/Swing and equipment. MGV and Driver/Swing will not be held responsible or liable for shuttling crew members, personal belongings or equipment supplied by other vendors. The Driver/Swing will assist during the production, taking equipment out of the van, basic setup, and putting all the Equipment back into the van at the end of the production. The Production will not be provided with a key for the cargo/storage area of the van to access Equipment. In the event that the Driver/Swing is not with the Van due to washroom, or food break, and has provided production with a key to the Van, the Producer will be responsible for ensuring the cargo/storage area of the Van is fully locked before leaving it unattended. The Driver/Swing is not to be placed in any supervisory role on the day(s) of work (eg. Gaffer, Key or Assistant Key positions) and should not be the sole member of either the lighting or grip team. The Driver/Swing will work as both a Grip and Electric helping out on set where needed in the lighting department. If there is no Gaffer on set, the Swing will not perform Gaffer duties unless upgraded to a Gaffer.

Gaffer Upgrade. The Driver/Swing can be upgraded to a Gaffer (the "Gaffer") prior to the First Day of a booking.

The Gaffer's duties include:

- Works closely with the Director of Photography to help design a lighting plan for the shoot
- Supervise the lighting department
- Ensure safety of electrical and grip equipment
- Work on set to implement the lighting plan

The Driver/Swing upgraded to a Gaffer will also perform all duties that are the responsibility of the Driver/Swing.

Standard Working Day. A Driver/Swing/Gaffer (the “MGV Employee”) operates on a Standard 10 hour work day with a 1 hour meal break (10+1). Hours are billed door-to-door, meaning from the time an MGV Employee leaves 777 The Queensway (Travel Start) until MGV Employee has returned back to 777 The Queensway at the end of the work day (Travel End). Any Day during the Rental Period that goes longer than six (6) working hours, production is required to provide lunch/dinner for the MGV Employee.

MGV Employee type requested at time of booking: {69:Upgrade Driver to Swing/Gaffer}

Overtime. Overtime is calculated in 1 hour increments taking effect after the 10th hour of work for the MGV Employee, inclusive of travel time. Overtime Rates can be found in the chart below.

	10+1 Hour Day	Working Hours 10-12	Working Hours 12+

Gaffer	\$650 Day Rate	\$97.50/hr	\$130.00/hr
